CREW PROFILES

Captain: Richard Vincent **Nationality:** So. African
Number of Crew: 2 **Languages:** English

Crew Profiles:

Richard & Dominique, a husband and wife team, have chartered in the British Virgin Islands for the last 2 years. There is not a bay or trail in the BVI area that they do not know about or explored. They both love being able to share this beautiful environment with their guests.

Richard grew up in Johannesburg, South Africa. Although not growing up at the coast, he frequented it on family holidays at least 2-3 times a year gaining his love for the ocean. Water sports has always been something he has loved. He enjoys surfing, body boarding and more recently has taken up kite boarding. Richard is a qualified Dive Master and has been diving the waters of the BVI ever since he arrived 2 some years ago. He loves taking guest divers for dives and showing them the wonders of this magnificent paradise. He also loves to share his passion on deck showing others the joys of fishing. Richard is a Rya Yacht Master

Ocean Captain with many years experience, particularly in the Bvi.

Dominique has a passion for the culinary arts and together with her artistic skills knows how to wow guests. From a young age she enjoyed many hours cooking with her mother. This is where she gained her love and passion for food and loves to share her passion in delighting others with her dishes. She has attended the Ashburton Chef School in the UK where she enhanced her skills. Dominique was introduced to sailing by her husband Richard and has the RYA Day Skipper Captains License. She has a huge love of the water and is quite at home in this environment. Dominique loves to take guests on guided snorkel expeditions and loves pointing out some incredible fish and corals that you might have missed.
