MEET THE CREW FOR 2019/20

Mike and Julie met soon after high school and have been inseparable ever since. While raising their family, Mike & Julie took family vacations up north which always meant time on the water boating, fishing, skiing, biking and lots of great memories with the family. They also traveled to tropical destinations to escape the cold winter months. When they took a family trip to the VI they knew they would be back for good at some point. They bought a sailboat in Florida after their family was raised, spent time there and made the jump to come back to the islands after selling their home and everything they owned. They hope to help others create lasting lifetime memories in their dream destination.

Mike grew up in the land of 10,000 lakes and took full advantage of as many opportunities as he could to hit the lakes.

As a boy and young man he spent many summers up north at the family cabin taking advantage of all water sports. It's here that Mike developed his love of being on the water. Mike has been an entrepreneur most of his life and has, along with Julie run a personal training business, owned a fitness center, worked in the oil fields. In his free time, Mike enjoys working out, reading and 'wrenching' on things. Mike looks forward to showing his guests a great time and all the amazing

things the islands have to offer.

Julie was born in Minnesota and moved to California as a young girl. It was then that Julie fell in love with the ocean and the peace and serenity it brought her.

Julie's love of cooking and food started at a young age as her mother was a wonderful cook and teacher and had Julie in the kitchen with her. Because of her early start, Julie worked in the service industry in many different fields after moving back to Minnesota. Julie loves to cook a wide range of foods but her favorites are comfort style, using fresh local ingredients.

Julie's hobbies are crocheting, cooking, working out with Mike and people watching :). Julie looks forward to having you and your family join them for an unforgettable experience.
